Faith after Covid . . . and so many doubts

10:30am Morning Congregation Worship

4:30pm Evening Congregation Worship

---

As part of our commitment to learning together about the history of Indigenous-Settler relations on this land, particularly where the Christian Church has been involved in perpetuating injustice, we are beginning each service with words that remind us that the land in and around Vancouver was taken over, sold, and settled without the consent of the Coast Salish peoples who have always lived here and have historic title to it.

**Thank you for wearing a facemask.**  
If you have forgotten a mask,  
disposable masks are available at  
both Sanctuary entrances.

### **ORDINATION SERVICE NEXT SUNDAY**

We will be ordaining Jake Tucker on November 21 in the evening service. Ordination is an affirmation of God's call to pastoral ministry. Ordaining is something we do as a church community, and is confirmed by our denomination. Larry Schram, the CBWC Regional Minister for BC and Yukon, will join our community for this service.

**Our Sunday 10:30am Worship Services can now be streamed live on YouTube.** Simply visit our YouTube channel (by searching YouTube for "Grandview Church Vancouver") after 10:25am Sunday. Enjoy the service and subscribe to our channel while you're there. Remember to have your communion cup and bread prepared in advance.

### **Tithing and Giving Have Never Been Easier!**

Everything we have, we have received from God. We acknowledge this with our responsive generosity – financially, and in a myriad of other ways. Act
