

## Sermon Conversation Guide – “Serve”

1. Share about a time you responded with, “I’m not doing that” to a particular situation or need. These could range from the humorous to the more serious.
2. Who comes to mind when you think of someone who has a servant attitude? What is it about them that makes them stand out in this way?
3. In what way are you most likely to struggle with having a proud heart? (Are you too proud to do certain tasks, or, do you seek recognition for the good that you’ve done?)
4. How quick are you to notice the needs that surround you every day? What are some ways you could work towards being quicker to recognise others’ needs?
5. Is there one of the sermon application steps that you sense God calling you to lean into this week? (i.e. Serve in your home, Serve people in the church, Serve people beyond the church)
6. Is there one of the application steps we sense God calling us as a group/Circle to lean into together?
