*Dear Community Friends,*

*Once again it is time for us here at Deerfield Nursing & Rehab to begin planning for our annual Christmas Store for our residents. They really do enjoy shopping for themselves and their families.*

*It is so amazing to see the smiles on their faces as they see the many items which you have so graciously and generously given for the Christmas Store.*

*Our date for the Christmas Store this year will be December 9, 2021 at 1:30 pm. A list of items which can be used are enclosed.*

*If at all possible, we would like to have the items by December 2, 2021, so we can get them sorted into the various groups for the men and women.*

*We will also have a snack table again this year. Items can be bags of chips, cheese crackers, individually wrapped candy and other edible items of your choosing.*

*Thank you so much in advance for your participation in making the lives of our residents happy during this Christmas Season. As the Bible says.....Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.*

*Warmest regards,*

*Doretta Dixon, Activity Director and Michelle LeJeune, Social Services Director*
