

# Church of St. Aidan

## Renovation Update #27

---

Nov. 18, 2021

- Handrails, fencing, and benches have been installed at the outdoor steps around the entrance. Construction fencing has been removed, please do not approach the building at this time as work is ongoing including roof repairs.
- The decorative wood screening in the nave is complete, it conceals a door to the priest's office.
- Marmoleum floors, plumbing fixtures, and millwork for kitchenettes are being installed throughout the lower level.
