From Wikipedia, the free encyclopedia

Secular humanism, often simply called humanism, is a philosophy or life stance that embraces human reason, secular ethics, and philosophical naturalism while specifically rejecting religious dogma, supernaturalism, and superstition as the basis of morality and decision making

From Wikipedia, the free encyclopedia

Christianity is an Abrahamic, monotheistic religion based on the life and teachings of Jesus of Nazareth.

The creeds of various Christian denominations generally hold in common Jesus as the Son of God—the Logos incarnated—who ministered, suffered, and died on a cross, but rose from the dead for the salvation of mankind; and referred to as the gospel, meaning the "good news".

**Belief in the reality of the supernatural - spiritual -

Transition plan for integrating child care into the Ministry of Education

- Mandates school districts as the local democratic governing body of all licensed child care in their district
- The legislation should be based on the fundamental principles of a universal, public system and aligned with BC's Early Learning Framework (see Section 5).
- Move the Minister of State for Child Care, staffing in MCFD's Child Care Programs and Services Branch, and annual child care operating budgets into the Ministry of Education's Early Learning Division

WE ARE IN A CRUCIAL TIME
if we want to continue to
share Jesus after school
across BC and Canada.

We need to possession ourselves as a charity to be
able to serve children and families regardless of
what changes the governments brings.
