1 Thessalonians 3:9-13

Luke 21:25-36

Jesus is talking to his disciples about the end times. Before 'the Son of Man' (= Jesus himself) will come, there will be certain signs. When the disciples see these signs, they should make sure that they are ready for the coming of God's Kingdom.

Signs of the time

What we hear on the news can be confusing, and sometimes downright scary. It was just like that, back in the time of the disciples.

But Jesus encourages his followers: God's future will be good! Be prepared for that!

So, are you confused by this word search or can you see through to the solution?

Did you know?

Having an Advent wreath with four candles, one more to light on each Sunday in Advent, is a very Lutheran thing:

The tradition was introduced by the Lutheran pastor, teacher and social reformer Johann Hinrich Wichern

(1808-1881). He had founded a home for orphaned children in Hamburg, Germany. And every year the children asked, how long they would have to wait until Christmas. In 1839 Wichern came up with an idea to visualize the answer: he took an old cart wheel, and 4 big candles, and the Advent wreath was born. (Actually, Wichern's advent wreath had besides four large candles for the Sundays also smaller candles for the weekdays.) So day by day there was more light, symbolizing that Jesus Christ, the light of the world, was coming near.
