

A time to remember,
honor and pray for
those who have died
on the streets or as a
result of being
homeless.

“Healer of our ev’ry ill,
light of each tomorrow,
give us peace beyond
our fear, and hope
beyond our sorrow.”

COVID Protocols:

Celebrate God's love by pledging to stay home when not feeling well. Whether healthy in the Immanuel building or ill at home, people can share God's love.

Invite and welcome all by staying six feet apart, fist bumping, giving a peace sign or motioning a greeting rather than physically embracing.

Build relationships and nurture community by asking permission to touch others, and only do so if both are fully vaccinated.

Rekindle hope by wearing a mask, using hand sanitizer and washing hands often, not only as a way for all to stay well but also as a symbol of hope after living through the past year's pandemic.

At Immanuel we promise to hold onto our core values as we learn new ways to interact when together---*Expecting God's love to change us.*

Therefore, I pledge:

→ to stay home when not feeling well,

→ to stay six feet apart, fist bump, give a peace sign or motion a greeting,

→ to ask permission to touch others, and only do so if both are fully vaccinated,

→ to wear a mask over mouth and nose, use hand sanitizer and wash hands often.

We have a higher bar of expectations for worship leaders. Those who lead worship should be prepared to confirm vaccination status or show proof of a negative PCR test. Leaders can then remove their masks when speaking at a microphone that is distanced from congregation.

As of today, we are allowing vaccinated people in the building to sing while masked.

Unvaccinated people are asked not to sing. Since we do not currently check vaccination status for worship participants, this is a point of honor that is not enforced.
