VISION OF THE PRESENT

Romans 12:3-8

As you grow and mature, part of that process is figuring who you are; learning your own strengths and weaknesses, and finding out what you like and what you don't like. It's important to know what your strengths are and to be able to use those strengths and gifts to serve God and His Kingdom, but we have to be careful not to become full of ourselves. That's why, in His Word, God urges us to have an accurate, or "sober" view of ourselves. Having an accurate vision of yourself in the present can help make the vision God has for you in the future more clear.

DISCUSSION QUESTIONS |

1. What is something you're good at?
2. How can that be useful for building up God's kingdom?
3. What helps you to be humble?

PRAYER PROMPT |

Pray for God to show you ways that you can use your strength to glorify God and help to encourage others.

| JOHN 7:37 | "Let anyone who is thirsty come to me and drink."
