CoVid-19 Update #14

21 January 2022

Dear Friends:

The Northern Health has removed its health orders and aligned with the current standing Provincial Health Orders.

This means for the Diocese of Caledonia

- Worship Services @ 50% church capacity *without* vaccine checks
- Mask mandate – all people must wear masks indoors
- Eucharist maybe celebrated with existing CoVid protocols
- Singing is permitted (as we are masked)
- No funeral or wedding receptions
- Fellowship hour is suspended at this time
- AGMs and Church Committee meetings are to be online

All other ministry is permitted and encouraged. Please be mindful of CoVid protocols and safe social distancing with masking.

As indoor events are not permitted, rentals of church facilities are limited. All renters must complete a CoVid Safety Plan before the rental may be confirmed. All renters must provide proof of insurance which indemnifies the parish and Diocese.

If you have any questions or concerns, please contact the Synod Office.

Yours in Christ,

+David: Caledonia

The Rt. Rev. David TJ Lehmann,
Bishop of Caledonia
