Vision Sunday Feb 20

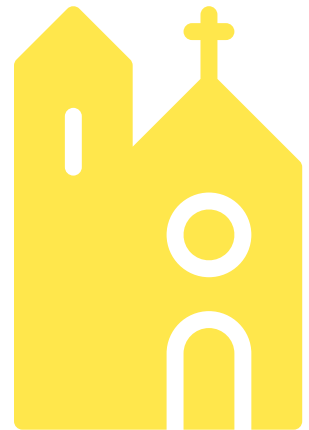

We would love to share the vision that has come out of the Future Flow process in June 2021 with everyone. On Sunday, **February 20** we will gather (however possible in the traffic light system at the time) to hear from our leaders what God is calling us into. We are excited to all be together for this.

SGM & EGM

On Sunday, **March 6 at 2pm** we will gather for a Special General Meeting (SGM) to talk in detail about the impact of our vision on the resources of the Parish.

We will also have an Electoral General Meeting (EGM), which was postponed from last year, to vote in a new vestry.

Do take time to discern whether God may be inviting you to be on our team as we launch into this new vision.

Welcome Helen!

This week we welcome Helen Doney into the team as Parish Family & Children's Worker. Welcome Helen! We're so glad you're here and look forward to you, Grant and the family joining us.

Supermarket Shopping

Supemarket shopping with Omicron – we are looking at ways we can support parishoners and their families with any emergency contactless grocery shopping & delivery service should Omicron spread significantly. Aware that if this is the case people will increasingly have periods of needing to isolate.
