1. We won't act like children
2. We'll be impervious to "fashion"
3. We'll be discerning
4. We'll have real relationships

Questions for Discussion

1. What do you think Paul means by "make every effort to keep yourselves united in the Spirit?" What do you think that looks like today?
2. Why do you think so many people drift from church to church or have a very casual relationship with their church?
2. If the church was unified "so that the whole body is healthy and growing and full of love," what do you think that would look like?

Application

What do you think God is calling you to do to add to the unity of your church? Why?
