

Jesus Teaches

BASED ON LUKE 6:17-23

Many people came to hear Jesus teach. Sometimes crowds of people came. They followed Jesus wherever he went. Here are some of the things Jesus said about growing in God's way. They are sometimes called "Beatitudes," which means "to be blessed" or "to be happy."

If you feel very small inside,
be happy.
God's love is yours.

If you really care about other people,
be happy.
God cares about you.

If you feel very sad inside,
be happy.
God will help you feel better.

If you try hard to work for peace,
be happy.
God says "You are my child."

If you think you are not very smart,
be happy.
God has a promise for you.

If people are mean to you because you
love God,
be happy.
You will always be part
of God's family.

If you try very hard to be good,
be happy.
God will help you feel good inside.
