

## **baby dedication**

We are excited to partner with families today for our first Baby Dedication in two years! While today is a celebration of sorts, please be sure to recognize your part in loving, leading, and investing in the lives of these families! May we prayerfully and joyfully seek to be a disciple-making community!

## **renew-a-nation**

As part of our series in “Highlighting the Home,” we are excited to have Jeff Keaton from Renew-a-nation with us this morning! Jeff regularly travels across the United States and Canada to help awaken the church to the great need for children, parents, grandparents, and families to possess a biblical worldview. A resource table is located in the hallway that will be a great blessing to any family. If you are interested in getting more information about Renew-a-nation, you can visit their website at [renewanation.org](http://renewanation.org).

## **2022 grace giving**

Thank you, Mt. Carmel, for your faithful and generous giving! Giving financially is a response to God’s boundless grace and generosity. It’s a form of worship acknowledging and expressing that all we have comes from God. Giving glorifies God by honoring His abundant generosity and joyfully sharing with those made in His image and likeness. Giving also says we aren’t afraid of lacking anything—because God is our source, and we trust him.
