

ReNewed Life Church APP Tutorial

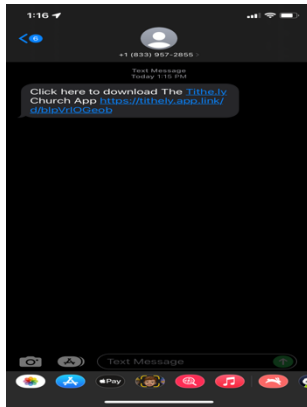

1. In your online browser go to renewed.church

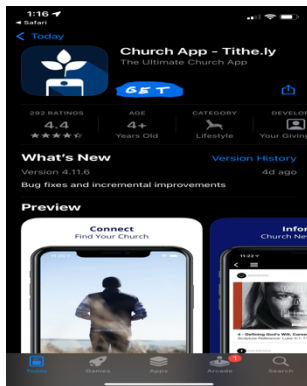

2. On the church website homepage click on either option that says “Download Our Church App.”

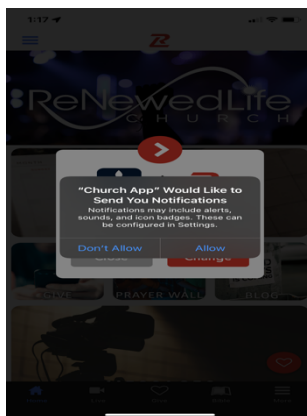

3. Type in your cell phone number and select the blue button “Send me the app.”

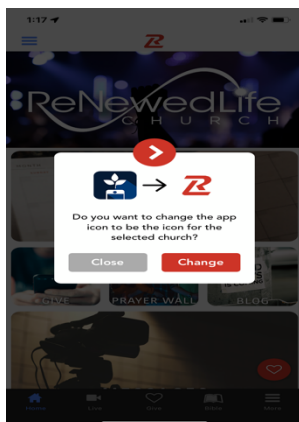

4. You will receive a text message that looks like the picture on the left. Select the blue link, and it will take you to your app store.

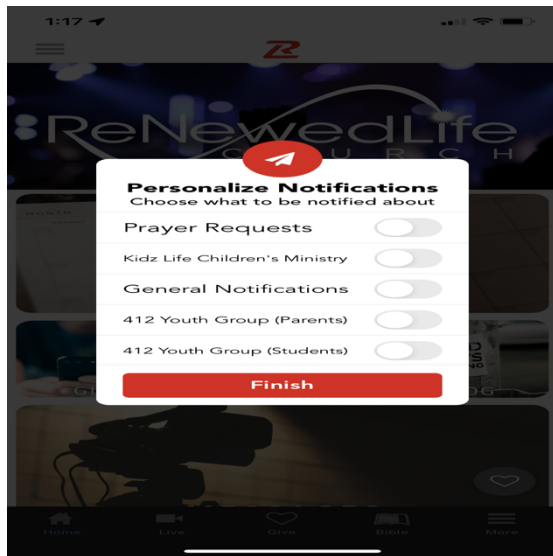

5. Download the app. Once the app is downloaded open the app.

6. When you first open the app it will ask you if you want to receive notifications. Select “allow” because the app is one of the primary ways we will use for church communication.

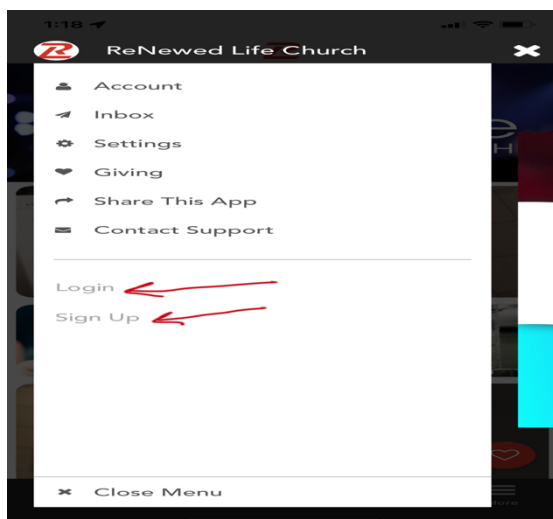

7. Next, it will ask you if you want to change the app icon image. Select “change.”

8. Next, it will ask you what notifications you would like to receive. Tab on the little slider next to the notifications you would like to receive. Then select the red “Finish” button.

9. Tap on the three lines in the top left corner of the screen.

10. Select “login” if you have set up a new online giving account through Tithely. If not select “Sign up.”

11. You will be prompted to set up an account that will give you access to all of the app features.
