**Community Group Questions**

1. What stood out to you from the message? What did you find convicting, challenging, encouraging?
2. In point #2 of the sermon it was mentioned that it is in fellowship where we learn how to live graciously with each other. What are some areas where we need to show grace? Why do you think God gives you difficult people in your life?
3. Would you say that we tend to be more 'receivers' or 'ministers' on a Sunday morning? Do we go to church to 'get' something or 'give' something to someone? Are we going to church for ourselves or others? If you go to church to 'minister' and 'give', how are you doing that?
4. How do the one-another commands (see point #3) help us to have a healthy and strong fellowship?
5. What can you do to change the assessment of the Life Report that though TAC has a warm, inviting front-door feel, once you get beyond the front door it is a different story? Why is this vital to change?
