

Guidelines for Hosting an Audio Fundraiser Event

Thank you for stepping up and supporting our efforts to reimburse funds for our new audio system. All that you do is appreciated.

The objective for an event is to raise money while enjoying a social event.

Requirements:

A Sponsor is required to submit an outline of the event. (There is a form that will need to be submitted for approval)

Sponsor will submit an outline to the Church office:
unityspiritualcenterfl@gmail.com for review in correlation to the guidelines.
Once approved, it's a go!

Susan Goetz, as our Social Activities Coordinator, is your advocate and will support you via text, telephone, or email. Susan is available to you for brainstorming, fine tuning ideas and problem solving.

Preparation time is the responsibility of the event Sponsor.

All events must be completed within 6 weeks. (6 weeks starts from the first promotional action.)

Upon the completion of the event the Sponsor, along with a Board Member, will submit all funds received to Unity Spiritual Center (labelled with the Event name & as Audio Equipment Fundraiser).
