John chapter 7

Please read chapter 7 in your group before you get into this Sunday's sermon-based questions in your group.

1. Share what you know about the importance of the feast of Booths or Tabernacles according to the Hebrew traditions (Ex. 23:16; Lev. 23:33-36, 39; Duet. 16:13-15)?
2. How important is it for modern-day Christians to understand the importance of Jewish feasts? Do you think a good understanding of these feasts helps us understand Jesus' teaching better?
3. What could be the wisdom in Jesus avoiding his brothers' challenge according to 7:1-9?
4. After waiting for a certain time in his hometown, Jesus showed up in the middle of the feast. Why did he delay and what benefit did it do to the crowds according to vs. 12-24?
5. Do you see the gospel invitation according to vs.37-38 of this chapter which is an object lesson recalling Isaiah 55:1?
6. In this chapter, Jesus' invitation signifies the fact that he was the fulfilment of all the Jewish feasts. He was the only one who provided the living water that gives eternal life. Why did the Jewish leaders fail to recognize this truth? Did they misunderstand the Old Testament, or did their hatred for Jesus lead them to ignore his teaching?

Thank you, all small group leaders, and all of you who attend. May the Lord continue to bless you all as we seek Christlike church community. Please end with prayer for our local needs and global issues in the world.
