## Todd's Take

Good morning and welcome to our worship. It is good to have everyone with us in person today and we are glad to have those of you who are

joining us online. Especially glad to have our guests with us today.

This morning we will continue our journey through the book of **Exodus**. Last week we left off with Moses on the run in the land of Midian. In Midian he has taken a wife, had a child, and is working as a shepherd for his father-in-law Jethro. Seems like he's settled in.

**Today we will look at chapters 3 and 4.** One day while tending the sheep in a remote area Moses notices something that catches his attention and his life will dramatically be changed. Highlights include: the burning bush; Moses is called to deliver the Hebrews from slavery; Moses objects and objects again; God reassures Moses with miraculous signs; God reveals his name to Moses; and Moses returns to Egypt. The story of Abraham's family and the nation it has become enters a new phase as God's promises are coming into focus!
