Are you struggling ... over the truthfulness and value of Christianity for your life in today's world?

It is no secret that many young people are departing from the historic *Faith of the Church*. One of the big reasons is that they feel it is irrelevant to the issues they face in their rapidly changing culture. Furthermore, they are often unaware of the amazing support that exists for the *Christian Worldview* and how it can provide a sure foundation for, and make a rich contribution in every area of, their lives.

Join us for an amazing weekend of apologetic exposure, challenge and training. There will be great worship and a fantastic slate of speakers to help our youth, young adults, and the rest of us, more confidently embrace and commend the *Gospel of Jesus* to our culture.
