The Main Event - Part 2: Prayer

The death and resurrection of Jesus is the main event of history. Eternity past and eternity future are linked to it (Revelation 13:8; 21:27). The cross is our only hope. There are several events that make up and surround the "Main Event". They reveal what needs to be the "main events" in our lives.

From the garden to the grave, we see how PRAYER needs to be a main event in our lives. In the Garden, Christ prayed for strength for the trials that lay ahead. Prayer gives us STRENGTH for everything we encounter. "When I'm in need, prayer should lead." It's the first thing we do.
