

Welcome!

Wonga Park CRC is a church that is committed to helping people grow in their faith, one step at a time. We believe people do this by encountering God in his living word, through prayer, and in community with other believers.

New here? We would love to meet and connect with you, so please fill in your details on the back of this newsletter, place it in the offering bag and one of our team will contact you. Alternatively send an email to pastor@wpcrc.org.au and we will get in contact with you.

God's Word: We encourage you to take notes in the place provided, to reflect on what God has been saying to you, and to discuss it with your family, friends and children.

Prayer: We have several places in our worship service where we pray. We would also love to pray with you after the service. If you would like someone to pray with you, please remain in the main auditorium and a member of our prayer team will come and pray with you.

Community: We encourage you to stay after the service for coffee and fellowship. We would love to meet you and get to know you more. We have a **cry room** off to the side of the church for parents with infants. During school terms we also run a **Sunday School** program before the church service for high school aged children and during the church service for primary school aged children.

Groups: We have a number of growth groups that meet throughout the week to pray for people, gather around God's word, and care for one another. If you would like to join a group, please contact pastor Chris (pastor@wpcrc.org.au).

PREACHER: ISAAC OVERTON

SERMON TITLE: "LET THERE BE LIGHT"

READING: GENESIS 1:2-5

Chapter 1:

2 Now the earth was formless and empty, darkness covered the surface of the watery depths, and the Spirit of God was hovering over the surface of the waters. 3 Then God said, "Let there be light," and there was light. 4 God saw that the light was good, and God separated the light from the darkness. 5 God called the light "day," and the darkness he called "night." There was an evening, and there was a morning: one day. -- Genesis 1:2-5 (CSB)

SERMON NOTES

DISCUSSION QUESTIONS

- 1) Why did God start with light on day 1?
- 2) Read 2 Cor 4:1-7. What do you learn about the relationship between us and light in this passage?
- 3) As a follower of Christ, you are now a light bearer (Eph 5:8; Mt 5:14). What does it mean to bear the light of Christ before the world? Are you doing that in your own life?
- 4) What does it mean to “put off darkness” (Rom 13:11)? What might this look like in our everyday lives?

PRAYER POINTS

“You know the value of prayer: it is precious beyond all price. Never, never neglect it.” – Sir Thomas Buxton

As we go into the coming week let us daily pray;

Giving thanks to our gracious God for God-fearing mothers without whom many of us would not have had the nurture in the faith that now sustains us.

Charm is deceitful, and beauty is vain, but a woman who fears the LORD is to be praised. (Proverbs 31:30 NRSV)

- ⇒ Give praise and thanks to God for creating us man and woman each designed to complement the other and provide the right environment to raise a family.
- ⇒ Please pray for those among us and our families who suffer the ravages of cancer. Give thanks for healing mercies where healing has occurred and pray for healing for those still struggling with its effects.
- ⇒ Give thanks to God for the wonderful Selah evening we had last Sunday where the presence of the Lord was felt in a very tangible and moving way.
- ⇒ Please pray that the decisions made at the synod meeting were those pleasing to the Lord and that whatever flows from it will be of great benefit for the denomination.
- ⇒ Please continue to pray for our nation, that the Lord will bring about situations that will cause many to turn back to him.
- ⇒ Please continue to pray for the situation in Ukraine, pray that the Lord will bring a swift and just end to this conflict.

Please continue to pray for our brothers and sisters in Afghanistan. Christian ministries have lost contact with numerous partners in Afghanistan as the embattled country enters a “new phase” of the crisis sparked by the Taliban takeover, the head of a U.S. based ministry has said. William Stark, International Christian Concern’s regional manager for South Asia, told The Christian Post that when the Taliban took control of much of Afghanistan following the drawing down of U.S. troops in August, many ministries working with the country’s underground church worked tirelessly to evacuate at-risk Christians. Now, as Christians trapped in the country face an uncertain future, many have gone silent, desperately seeking to avoid the probing eyes of the Taliban. “Christians are now in hiding because of active threats against their community,” Stark said. He shared stories of how Christians continue to face threats from members of the Taliban.

In one situation, an Islamic extremist threatened to kidnap a Christian man’s daughters and marry them off to the Taliban. In another, a Christian man received a letter from the Taliban saying his house belonged to them. Christians are also warned to refrain from gathering. “Within the networks that we have, a number of people have changed their phone numbers because it’s not safe anymore,” Stark said. “Their work to lie low in the country makes it hard for someone on the outside to stay in contact.” Many estimate the Christian population in Afghanistan to be as many as 12,000, making it one of the country’s largest religious minorities. Afghanistan is over 99% Muslim. Though all religious minorities in Afghanistan are at risk, Christians are particularly so, Stark said, because the vast majority of them have converted to Christianity from Islam. Under Sharia law, leaving Islam is a crime punishable by death.

“We talk about Christians as a religious minority, but to the Taliban, they’re seen as apostates, criminals and people that deserve to be punished,” Stark explained. As persecution continues to increase, Afghan Christians need “help from the outside” to escape their circumstances, he said. “It’s going to take a diplomatic process by the U.S., the U.K. and other countries that are going to allow them to leave that country,” he said. “Essentially, what they need is some sort of special status that would allow them to travel outside of Afghanistan.” Many Afghan Christians are “rural, uneducated and don’t have a passport,” he added, so many of

them are unable to acquire the documents needed to leave the country.

NEXT PRAYER MEETING will be held on Thursday the 12th of May at 7.30 at the church. All welcome.

Our Church Camp has been booked for the weekend of September 9th – 11th 2022.

You can check it out by going to the following website. <https://www.araluencamp.com.au/>

As a church council we want to stress how important we think this church camp will be for building relationships within our church community - so you really don't want to miss out on this opportunity!

As a family united by Our Lord we need each other.

The campsite has a range of different accommodation options available, some with double beds, some with bunk beds. We will allocate families to the rooms as best we can to make sure everyone is comfortable. All the food will be provided by the campsite which leaves us free to enjoy each other's company.

The camp has a games room, beach volleyball court, a playground with trampoline for the little ones, sports oval and more. There will be relationship building activities places to have a catch-up coffee and we will also be having all our meals together.

We want to make it as affordable for everyone as we can, and so we will be subsidising part of the camp cost.

What do we need?

- 1. Please come - This is about us being together as a Church family,**
- 2. Volunteers. - To help with planning. This will probably take 2 hours each month with a few hours extra here and there as needed.**
- 3: Sponsorship - Please pray about this, and if you feel God is calling you to contribute financially to the camp you can do so in one of two ways:**

Via the special fundraiser button on our website. Simply go to <https://wpcrc.org.au/give> and click on the "Give to Camp Fundraiser". Enter your amount and details and you are all done.

- 1. Make a bank transfer to the church bank account and put "Camp" as the reference. The bank details are as follows: BSB: 063 167 Acc: 1015 8356.**

As always, if you have any questions, please let me know either on 0423 889 913 or via pastor@wpcrc.org.au

Blessings

Session Chair's monthly update for March 2022

I'm a bit late this month – I've been catching up with life after being away all March.

CHRIS

March was again a busy month for Chris, catching up after a short break. Some of his activities were:

Training/Equipping:

Chris started a training course with deacons on being the hands and feet of Jesus.

He also continued training with the pastoral care team and elders on Gospel centred counselling. And, of course, Chris continued preaching through the Garden to Garden City series.

Pastoral care:

Chris made 10 pastoral visits and contacts during the month, started pre-marriage counselling with a new couple and conducted the baptism of Thomas Trigg. He also ran or attended a small group on 3 occasions and met one on one with two people to disciple them. He also ran the Youth group and started to put together a team for the church camp

Ministry Development:

Chris regularly meets with elders and ministry coordinators for coaching and ministry development. During this month he had meetings with 3 elders and one coordinator.

He also met with Jack De Vries, our denominations ministry development coach to discuss various denomination programs, particularly around raising up new gospel workers.

Chris also had a meeting with the Victorian Director of Scripture Union.

Denominational involvement:

He ran the Reformed Churches Youth Committee meeting – this committee meets once a term to discuss ways to improve and stimulate ministry to youth and young adults.

Along with Kasha Schubert, Chris met with the Victorian CRCA State Youth Committee.

Classis is the area gathering for Christian Reformed Churches; it's more a cooperative than a hierarchy. Our classis covers Melbourne and western Victoria. During March, Chris attending our Classis meeting in Geelong.

Other:

During the month, Chris also contracted Covid, which meant he had to record and edit one sermon for a "live" recorded showing in church. By the way, don't underestimate the time it takes to edit a sermon – sounds simple, but takes a lot of time.

DEACONS

The deacons continue to be thankful for the great support to their work with the Dining Room Mission, both in terms of the great food that has been cooked for the mission and the monetary support that allows them to do it. If you would like to be involved, talk to one of the deacons - they would love to hear from you and they have some large casserole dishes at the church that could be used for these meals.

They continue to support people in our congregation. Again, they would love to hear from anyone in the congregation and friends of theirs, who could use a little help.

FACILITIES MANAGEMENT

The playground equipment has been repaired and timber stained. The removal of a fallen tree is pending ac-

ceptance of the insurance claim.

KIDS HOPE

This is in a transitional phase as Ené hands over to Dale who is attending a coordinator course on Wednesday. Sandra and Lorenz have retired from mentoring, and the team will be seeking new volunteers once the needs of the school have been determined.

YOUNG ADULTS

Young adults is going very well. Over the past month they have been working through the resource entitled " The Course of Your Life" - which has been very beneficial. It's been great to see that everyone is enjoying this and is growing in their faith. They have also been looking through the book of Philippians on alternating weeks.

They have had a few social nights to catch up, even though they catch up weekly - but in a more relaxed approach where they can share a meal and play board/card games on these nights.

CHILDRENS MINISTRY

Sunday School is going really well, the curriculum is engaging and there are plenty of helpers. There is a small group of regulars which is nice. Sunday school will run over the holidays but will be scaled down and was adapted over Easter.

AUDIO/VISUAL

The team are doing well and are thankful to those who have stepped up and are now assisting. They do still need more volunteers to share the load so please consider joining.

MUSIC MINISTRY

The music team continues to be delighted to support the congregations worship through song. They have been delighted to welcome, or welcome back, some extra people. However, the team lost several people who moved to the country or interstate. So, with just a handful of singers, shortly just 2 pianists, 2 guitarists and one flute player, and with the additional songs for the Easter services and the monthly Selah evenings, the workload continues to increase. Anyone who is able to help out even occasionally would be warmly welcomed. An extra pianist or two would be especially welcome, and the team can arrange things to provide the necessary support.

ELDERS/SESSION

The elders continue to meet monthly. Abridged minutes of the meetings are published each month in the newsletter (thanks Michelle!) so I won't duplicate the information here. I was away for most of March (*everything* got covid-postponed to March!), so Herman Linde, who is deputy chair of Session, was the acting Session chair for the month. Many thanks to Herman for covering during that time.

Many thanks for Michelle's help in gathering the information for this report.

Peter Williams

Throwback Thursday

The following was published in a newsletter from May 2005 and very appropriate for Mothers Day!

"WHY GOD MADE MUMS"

Answers given by 2nd grade school kids to the following questions!!!

WHY DID GOD MAKE MOTHERS??
She's the only one who knows where the sticky tape is. Mostly to clean the house.
To help us out of there when we were getting born.

HOW DID GOD MAKE MOTHERS?
He used dirt, just like for the rest of us.
Magic plus super powers and a lot of stirring.
God made my mum just the same like he made me. He just used bigger parts.

WHAT INGREDIENTS ARE MOTHERS MADE OF?
God made mothers out of clouds and angel hair and everything nice in the world and one dab of mean
They had to get their start from men's bones. Then they mostly use string, I think.

WHY DID GOD GIVE YOU YOUR MOTHER & NOT SOME OTHER MUM?!
We're related.
God knew she likes me a lot more than other people's mums like me.

WHAT KIND OF LITTLE GIRL WAS YOUR MUM?
My mum has always been my mum and none of that other stuff.
I don't know because I wasn't there, but my guess would be pretty bossy.
They say she used to be nice.

WHAT DID MUM NEED TO KNOW ABOUT DAD BEFORE SHE MARRIED HIM?
His last name.
She had to know his background. Like is he a crook? Does he get drunk on beer? Does he make at least \$800 a year? Did he say NO to drugs and YES to chores?

WHY DID YOUR MUM MARRY YOUR DAD?
My dad makes the best spaghetti in the world. And mum eats a lot.
She got too old to anything else with him.
My grandma says that mum didn't have her thinking cap on.

WHO'S THE BOSS AT YOUR HOUSE?
Mum doesn't want to be a boss, but she has to because dad's such a goof ball.
Mom. You can tell by room inspection. She sees the stuff under the bed.
I guess mum is, but only because she has a lot more to do than dad.

WHAT'S THE DIFFERENCE BETWEEN MUMS AND DADS?
Mums work at work and work at home & dads just go to work at work.
Moms know how to talk to teachers without scaring them.
Dads are taller and stronger, but mums have all the real power 'cause that's who you got to ask if you want to sleep over at your friend's.
Mums have magic, they make you feel better without medicine.

WHAT DOES YOUR MUM DO IN HER SPARE TIME?
Mothers don't do spare time.
To hear her tell it, she pays bills all day long.

WHAT WOULD IT TAKE TO MAKE YOUR MUM PERFECT?
On the inside she is already perfect. Outside, I think some kind of plastic surgery.
Diet. You know, her hair. I'd diet, maybe blue.

IF YOU COULD CHANGE ONE THING ABOUT YOUR MUM, WHAT WOULD IT BE?
She has this weird thing about me keeping my room clean. I'd get rid of that.
I'd make mum smarter. Then she would know it was my sister who did it and not me.
I would like for her to get rid of those invisible eyes in the back of her head!!

Some more 'Signs of the Times'.
