

SEAL THE DEAL

TREASURE WISDOM

Wisdom is a PRICELESS treasure.

Wisdom is about making the right critical LIFE choices.

It connects the dots between CHOICES and CONSEQUENCES.

HAVE A PASSION FOR ACTION

Wisdom shifts life into high GEAR.

Wisdom embraces the dignity of the daily GRIND.

Wisdom knows that daily HUSTLE trumps natural TALENT.

REAP THE REWARDS

Wise living leads to a place of BLESSING.

Blessing is a BYPRODUCT.

Tomorrow's blessings get harvested from TODAY'S choices.

QUICK REVIEW

Looking back at your notes from this week's message, what caught your attention, challenged or confused you?

MY STORY

1. Do you read Proverbs 31:10-31 as a profile of *lady wisdom* or as a profile of the ideal wife?
2. Why do you think we sometimes exaggerate the importance of *natural talent* and diminish the importance of the *daily hustle*?
3. Pastor Brian spoke about the difference between *preparation* and *pride* (she is not afraid of the snow... she can laugh at the time to come). How do you differentiate between the two in your own life?

DIGGING DEEPER

This is the first week in walking through the book of Proverbs. Take a glance through Proverbs – find and share a Proverb that is meaningful to you at the current season of life you are in.

TAKING IT HOME

1. Read through the actions of Lady Wisdom in Proverbs 31:14-27. What specific action would I like to be more true of myself?
2. What tends to get in the way and keep me from *sealing the deal* with Lady Wisdom?
3. How can I connect the choices I am making today to the blessings I harvest tomorrow?
