"THAT WOMAN"
'From Nobody to Somebody'
"I CAN... WE DID"

II Cor. 12:9-10. "My grace is sufficient for thee."

Badges of Honor are not your infirmities but what you learned from them.
Strength only comes from challenges. *Challenges..., strength..., reward!*

Nobodies who became some-bodies with God:

"Twelve Extraordinary Women" John MacArthur.

II Kings 4:1-7 *That woman* and Elisha.

"Man adds..., God multiplies."

Lessons from That Woman and her oil:

1. When in trouble or challenged, ask God for a new perspective.
2. Use what you have to get what you need/want.
3. Sow where you want to go. "Give it to get it." Ask.. seek.. knock!
If it intimidates you, you are on the right path!
4. She became a distribution for God. "I can" ultimately always involves others.
5. She did not depend on her-self. She said "I can.. they did."

She had to believe against all reason!

"When you can't... God can." "Seek the Who..., then the what."

6. When contemplating your desire/problem and solution... Seek God!

"I can.. always effects others. Christ led- Christ results.
So that you can say... "I can... we did."

"I CAN... WE DID... BECAUSE LOVE, LOVE, LOVE..., GOD IS LOVE!"
