ABOUT US

We love to serve the whole man. We help provide food, clothing, shoes, medical care, education, supplies, feeding programs and so much more -- but we are laser focused also on growing up a generation to serve Jesus in Pakistan. We see hope, life, bright futures and joy. Please become a part of nurturing and enabling this vision for the most needy kids of Pakistan.

We love to see our kids excel in getting an education, being well fed and spiritually strong in the Lord.

OUR PROGRAMS

Evening Bible Study

The SJPS compound is used in the evenings for Bible study, prayer services, Christian celebrations (such as Christmas & Easter), and other functions for local Christian families of the surrounding communities. On average 35 adults attend the evening bible studies. Bible distribution is also one of the facets of our outreach through the REALF. When donations are given, Urdu language Bibles are purchased through the Pakistan Bible Society (receipts recorded) – and distributed door to door to Christian families who don't yet have a bible.

ABOUT US

Slavery is not something just from the past - it is alive and well on the face of the earth. Slavery and poverty are cruel task masters and we believe that in Jesus people are meant to be set free from affliction, slavery, bondage and abuses. We love serving the most needy enslaved brick kiln families and where possible we work to set them free from bondage and free indeed in Jesus name.

Help us set the captives free today by supporting this ministry.

ABOUT US

People are out of work due to Covid and there are no government stimulus checks, no real hope for any meaningful government assistance to the most needy people. Cubards are bear, children are crying in the night due to hunger and mom's and dad's are crying out to God for someone to help them. Maybe God will touch your heart to give today so that we can impact and change their lives.

Imagine having, no job,
no food, no assistance, no
real hope as your
children cry into the
night...
