MAY 3 TO 5 - CAMPBELL RIVER BAPTIST CHURCH

RELEVANT FAITH

ISLAND APOLOGETIC CONFERENCE 2013

The historic *Faith of the Church* is fully relevant to the issues we all face in our rapidly changing culture. Not only that, there exists amazing support for the *Christian Worldview*, demonstrating that it can provide a sure foundation for, and make a rich contribution in every area of, our lives.

Join us for an amazing weekend of apologetic exposure, challenge and training. There will be great worship and a fantastic slate of speakers to help our youth, young adults, and the rest of us, more confidently embrace and commend the *Gospel of Jesus* to our culture.
