We can't predict the future, but we can plan for it. This side of Heaven, God gives us plenty to do. One of those things is to "get our houses in order". If your estate plan is outdated, you do not have one or you'd simply like to learn more about it, now is the time! In your legacy plan, you can ensure your desires on medical decisions, guardianship of your minor children and distribution of your valuables will be fulfilled. Register today for our Legacy Planning Seminar, presented by our ministry partner Christian Financial Resources. See you May 22 after church. Lunch will be provided.
