

## **SMALL GROUP QUESTIONS, WEEK 5**

Ice Breaker: What's one of the most exciting things you've done with your spouse or someone you love?

What was most helpful to you from Sunday's message?

Read Revelation 2:2-3. Discuss all the positives Jesus had to say about the church.

Read Revelation 2:4-5. Discuss the ways the church at Ephesus has fallen short.

What about you personally... which of these things do you think Jesus would commend you for? What would be his criticisms?

How can church become more of a chore than a place of worship?

On Sunday we were encouraged to remember and reflect on the state of our life. Why is this so difficult for us to do?

As you reflect on your life, was there a time when you were closer to God than you are today? Why or why not?

What events did God use to change your heart?

It's important to allow God to examine our heart and life. What is one habit, character trait, or spiritual flaw that you know needs to change?

Read Revelation 2:5. What did God mean when He said "do the first works"?

What do you do to live as if you are in love with Jesus?

What do you think could help you love Jesus deeper?
