

Vacation Bible School is almost here!

We are excited to present Spark Studios, bringing the beauty of the Creator to life for our little ones. This year we are gearing up for a fantastic VBS that we pray will bring the light of the Gospel to the hearts of many young people in our church and community. Now is the time to get your little ones registered, as well as to invite a friend to come along! We have an online registration form available on our **southsidedirection.com** website homepage as well as event page. Please take the time to register in advance and share with as many as you can.

If you would like to volunteer in any area please reach out to Pastor Deek!
