 1st Saturdays 7:00 - 7:45 am

Today we reach the finale of the Easter season with the celebration of the great Feast of Pentecost. Reflecting on today's readings inspires a sense of awe as we consider the mighty power of the Holy Spirit at work giving birth to and sustaining our Church. Just as awesome — the same Spirit is calling to us this day to take up our part in the Church's saving work.

In the first reading, from Acts, we see the creative genius of the Holy Spirit moving through the newly confirmed Apostles "who began to speak in different tongues as the Spirit enabled them to proclaim." The large crowd, gathered from all over the world were "amazed" and "astounded" that each one could understand the Apostles speaking in their own language.

Each one of us, young and old alike, is personally called today by the Holy Spirit into the same mission as that of the first Apostles — to advance the Kingdom of God in

our corner of the world. Just as He did on that Pentecost day, the Holy Spirit speaks to us in our "own language" to give us the Good News of the Gospel and urge us to share it. We can think of our own language as the particular gifts, talents, and passions we possess. We experience the presence of the Holy Spirit through them and we are meant to put them to work in grateful service of the Kingdom of God.

When we consider the stewardship way of life we are called to live, we often focus on the challenges it poses. Surrendering ourselves to God is indeed a challenging way to live. But it leads to a life that is exciting, creative, and deeply rewarding. Stewardship allows us to experience life as a great adventure because it is a life guided and directed by the very source of power and creativity — the Holy Spirit!

June Prayer Intentions

Pope Francis:

† For Christian families around the world. May they embody and experience unconditional love and advance in holiness in their daily lives.

Archbishop Joseph Naumann:

† For the passage of the Value Them Both Amendment.

† For God's blessings on Pregnancy Resource Centers and their ministry to accompany and support women experiencing a challenging pregnancy.

† For healing and reconciliation for those who have had an abortion or assisted someone in having an abortion and now regret their choice.

We pray for more vocations to the priesthood and religious life from our parish, that the Lord of the harvest will send out laborers for his harvest, and for those in formation from our parish,

† Will Sutherland—priesthood

† Tom Doyle—permanent diaconate

We pray for all priests who will be transitioning to new parish assignments this summer:

Gracious and loving God, we thank you for the gift of our priests.

Through them, we experience your presence in the sacraments.

Help our priests to be strong in their vocation.

Set their souls on fire with love for your people.

Grant them the wisdom, understanding, and strength they need to follow in the footsteps of Jesus.

Inspire them with the vision of your Kingdom.

Give them the words they need to spread the Gospel.

Allow them to experience joy in their ministry.

Help them to become instruments of your divine grace.

We ask this through Jesus Christ,

who lives and reigns as our Eternal Priest.

Amen.

We pray for peace in the world and our men and women in uniform especially:

A "YES" vote on August 2nd is a Pro-Life vote!

VALUE THEM BOTH

UNLIMITED ABORTION HURTS WOMEN AND BABIES

VALUE THEM BOTH LETS KANSANS REGULATE THE ABORTION INDUSTRY

The Basics:

- **Why Do We Need the Value Them Both Amendment?** A court removed the voice of Kansans to limit and regulate the abortion industry through our elected officials, allowing it to do business with virtually no limits.
- **What will happen when Kansans Pass Value Them Both?** 20+ bipartisan-supported pro-life laws that were passed to protect women and babies from the abortion industry will stay in place. It doesn't ban all abortions.
- **What Would Happen if Kansans Do Not Pass Value Them Both?** Extreme abortions up to the moment of birth and funded by your tax dollars will likely become legal and common.

Critical Pro-life Laws We Need to Protect:

- **Ban on Taxpayer Funding of Abortion** - Keeps state tax dollars from directly funding abortions.
- **Parental Consent Requirement** - We can all agree a 14-year-old should not be dropped off at an abortion clinic without her parents knowing.
- **A "Woman's Right to Know" Informed Consent and Sonogram Laws** Every woman has the right to know the risks of abortion and accurate information about her baby's development.
- **Post 20-Week and Late-term Abortion Laws** - Kansans don't want to see their state become a destination for extreme abortions.

Pro-life Laws Already Struck Down Due to Supreme Court Ruling:

- **Live Dismemberment Abortion Ban** - (originally passed in 2015; with Republican and Democrat support by 31-9 in the Senate & 98-26 in the House) Law was sued by abortion providers Hodes & Nausser.
- **Abortion Clinic Licensure Law.** (originally passed in 2011 with Republican and Democrat support by 24-15 in the Senate & 97-26 in the House) - a Shawnee County District Court judge struck down this law citing the Hodes & Nausser case.
