THEME

"Unlocking Your Influence"

Did you know that God believes you can change the world with your influence? Within the covers of the Bible we find ordinary women who dared to believe their lives and influence could make a difference. And yet, they probably had questions just like us. Am I enough? Can God use me in spite of my past? Is it the right time? Can I break out of my comfort zone? Do I have enough experience? Broken, messy, imperfect women like Jael, Rahab, Ruth and others surrendered their fears and auestions to God and history was changed. Come this weekend and dare to find keys from God's Word to unlock your influence and change your world!
