## “Spiritual Gifts”

*"Can God use me?" "Do I make any difference to God?" "How can I discover what God wants me to do?" "How do I know what my gifts are?" "I'm too old/young to be used by God." "I'm not good enough to work for God." "I have nothing to offer God like other people do."*

*One of the reasons why the church in the Western world is in decline is the neglect of spiritual gifts. One of the reasons why so many Christians today are overworked and so many more are underworked is the neglect of spiritual gifts. One of the reasons why so many Christians lack affirmation or a sense of purpose is the neglect of spiritual gifts. We need to know about spiritual gifts.*

*This mini-series of three studies is designed to help you understand, discover and put into practice the gifts God has given you.*
