

Please keep in mind as you send items to camp that it's a dirty, messy place. Campers/Counselors will need 2-3 changes of clothes per day. We get wet, messy, and dirty. Don't send your best. Clothes can be hung to dry and worn again, if desired, to help with packing space. Writing your name on tags is always a good idea! Try to keep luggage to one large suitcase, if possible, not including your pillow and bedding. A backpack to carry throughout the day may be desired. Cups will be provided for water during activities but you can bring your own labeled water bottle if you want to. It's your responsibility to keep up with it! The Grille, Cafe, and gift shop will be open Tue-Thurs afternoons where snacks and souvenirs can be purchased. This is not a requirement.
