The best thing about this Assembly was...

Anything else to say?

The amount of work accomplished this weekend was amazing, very productive

Somone needs to take laity beginners to have some education from the higher up as not all know how or what are the duties

Need regular stand up/stretch breaks. Snacks - would appreciate alternative to sugar, eg. Fruit, cheese/crackers/ pickles/carrots et.

Saw delegates who found nothing to eat, in one case except salad at meals due to dietary needs.

Lengthy; cramped for ventilation; breaks good;

Final meeting in church hall really crowded

Too much rush for the whole weekend; needs discussion at Coordinating Council

This Assembly was excellently organized and hospitality was extreme;

Rushing the voting process

Thanks for the tree

meeting space echo (hearing aid problems)

Snacks - too much sugar and carbs, boiled eggs would be nice

Better balance between business and networking

Suggest opening Eucharist

Barkerville; appreciated history of St. Saviour's; enjoyed interaction and learning about Indigenous people/ways

Have materials a couple weeks more, a lot to digest; after watching video need time to debrief;

When comments are made from the floor, use microphone, or have head table repeat comments for all to hear

Good balance of business and fun
