

Good News! The Diocese has a **new Safe Church training** programme! It is a multi-unit online programme from a company called Praesidium that can be customized to the ministry(s) you are involved with. If you currently require this training, we will contact you and forward your name to the Diocesan office. You will then receive an e-mail outlining how to register and which units you need to complete. You will have one month to complete these units. When they're done let Andrea Charlton, our new Safe Church Liaison, know and she will finalize with the Diocese. This process is new to all of us so we'll be working our way through it together!

**This is the final Sunday in Pride Month** so we pray for those among us and those in our parish who are Lesbian, Gay, Bi-sexual, Trans (identify with a different gender than one assigned at birth), 2 Spirited (the preferred term for many Indigenous folks), Queer (many people prefer this term), and questioning (those who are confused or still exploring questions of gender). People in the above categories experience exclusion, violence, and various forms of discrimination and harassment. Some are “out” where we can see and know who they are, some are still “in the closet” and don’t willingly share. They need our prayers and our welcome, and they need us to stand with them.

### Special Congregational Meeting Sunday, July 10, 2022, after church service

We know now that the current search process has come to an end without being able to hire a rector. We have supported the search committee with our prayers, and we know that this is a challenging time for them as it is for the whole congregation.

Please attend a special congregational meeting on July 10:

- Discuss impact on the parish and how to take care of the parish and its people.
- to hear what has happened and why.
- Hear the full facts along with messages from diocesan officials
- Discuss the future of this project and make decisions
- Discuss plans for moving forward:
  - How do you want to plan for and live the rest of this interim period (probably about 6 months)?
  - Do you want to continue with Cathie Hall as our interim priest?
  - Do any of the members of the selection committee (who have served for more than 2 years now) need or prefer to stand down? Parish Council needs to know the names of those who may be willing to serve in this way.
- Other concerns not directly related to the above matters will be noted for future discussion by the Parish Council but not addressed in this meeting.

#### Giving at St. Peter's.

Envelopes may be obtained from the office.

You may give through pre-authorized withdrawal, forms to sign-up are available through the office.

A secure link is available on our website.

The Collection plate is not passed from hand-to-hand in order to reduce the risk of infection. You are invited to place your offering in the plate near the door, or to send or bring it to the office.
