

Greetings in the name of our risen Lord and Savior, Jesus the Christ!

While the coronavirus prevented us from worshipping and meeting face-to-face, it also offered new ways to stay in touch.

The *Olivet Re-Entering Well Task Force* worked hard to keep us safe, developing a phased approach to reach the goal of joining together again in the Sanctuary and Good News Center.

As of Jun 27, 2021, we entered phase 3, which allowed us to return to the Sanctuary for worship and to the Good News Center for meetings.

We encourage you to join us in person, but we will continue to offer Zoom for worship and meetings.

We ask that all unvaccinated individuals wear a mask while you're on the Olivet campus.
