Celebrating Birthdays & Anniversaries!

Best wishes to those celebrating June 19 – June 25, 2022

Happy Birthday to Roger Melanson, Ross Belyea, Jennifer Acott, and to anyone else celebrating a birthday.

Happy Wedding Anniversary to anyone celebrating their special day!

A Prayer based on 1 Corinthians 13:4-8

God of Love, Your word states that love is patient, love is kind. Love does not envy, nor does it boast. It does not dishonor others. Love is not self-seeking. Bless those who are celebrating a birthday or anniversary this week. Thank You

because Your love always protects, always trusts, hopes, and perseveres. Love never fails. It is because of Your Love, O God, that we can send our love to those celebrating their special day. So, Father, we thank You, in Jesus' name. Amen.

Emergency Building Repairs

In recent months, our Building Committee has determined that there are two emergency repair projects needing to be done on St. Luke's building, namely, cracks in the foundation and rot in the bell tower. Our vestry agreed to explore the cost and the scope of work.

Earlier this week wardens Nancy English and John Wetmore met with Ian Hatfield of Peak Construction. He has agreed to take on the **Steeple Repair Project**. He expects the job to take about a week and he will do it in September of this year. The estimate for this job is \$50,000. This includes sufficient contingency to address anything unforeseen once he starts. He will repair the rotted timber that is

part of the top plate on the southeast corner of the bell tower, repair any roof damage and replace all of the shingles on the steeple above and below the bell.

Duane Giberson has agreed to repair the damage to the **Stone Foundation** of the church on the northeast corner next to the Hall. This work will be done this fall. The estimate for this job is \$3000.

Now that we know we need \$53,000 to carry out these repairs, we must turn our attention to raising the necessary funds. This will mean employing a number of strategies. We need as much help as we can get, so be thinking of as many ways and people needed to get this done.

On Sunday, June 19, Warden John Wetmore will briefly address this issue at 10:30 am prior to the start of the service of Holy Eucharist. Your support of this work is greatly appreciated. We hope and pray that St. Luke's will stand as a beacon of hope in our community for many years to come.

An Update on Camp Brookwood

After being closed for the past two years, Camp Brookwood will reopen this summer to welcome past and new campers. A welcome-back camp fee of \$100 per week is being offered for this summer's camps. If you know of someone who might be interested in attending, check out the camp schedule on the website. Camp applications are also available on the website. We welcome donations to help with sponsorship and to help with the day-to-day operation of the camp. We are looking for help to saw up a truck load of wood that was generously donated for campfires. If you can help with this project, please reach out to Emily or Morgan at the camp. There is also a need for weekly lawn mowing. If you know of someone who might be interested in this project, please reach out to Mary Lee Phillips or your parish board member. This would need to be done on a Saturday. The camp has a ride-on mower and will provide the gas. This is an exciting year for Brookwood, we are looking forward to a great summer.
