CALL TO WORSHIP

One: Gather us In Lord, and hear our prayers.

Many: We have come to this place in need of healing and hope.

One: We come here seeking guidance and strength.

Many: Open our hearts to receive your word

One: The world cries out to us in its distress

Many: We cannot pass by as though nothing is wrong

One:

Many:

We are overwhelmed by the needs of others

Let us be partners in caring for all who are in need. We can be neighbours in service, reconciliation, and compassion wherever we are.

GATHERING PRAYER: (We say together)

Gracious God, Loving Spirit- One of our greatest blessings is to be able to take this time and turn to you in prayer. As we sit in quiet contemplation of your presence, we pray with appreciation and see your guiding hand in every aspect of our lives.

We come to you this day, seeking your healing and reconciling love. Help us to be open to your word, to your presence, and to your compassion.

Clear our hearts of those things which block your will. Keep us focussed on your enabling power so that, --- having been healed, we may more fully serve you as we serve others. In Jesus name we pray. Amen
