

Luke 5:6-7 (NLT) - And this time their nets were so full of fish they began to tear! ⁷A shout for help brought their partners in the other boat, and soon both boats were filled with fish and on the verge of sinking.

Study Guide

1. Can you remember the best 'get together' that you've ever attended? What made it so special? What components were present to make it memorable?
2. Admittedly, this could be a loaded question: Can you describe your personal experience of Christian community? (Remember, we're not here to criticize churches - every faith-community has its strengths and weaknesses - we're simply sharing experiences and observations). Generalities are probably helpful here.
3. Are you able to define what you believe a healthy Christian community looks like? From what source do you derive that model?
4. Another potentially loaded question: What contribution do you bring to realizing the healthy community that you envision?
