Southwood United Church is a Spirit-led, biblically-based, transformational community of faith, following Jesus on his mission to change the world. At Southwood Church:

1. We **Pursue Christ** through worship, prayer, and engaging Scripture;
2. We **Care for People** with acts of compassion and hospitality;
3. We **Give Generously** of our time, talents, and treasures;
4. We **Build Relationships** through small groups; and
5. We **Participate in God's work** through missions and outreach.

We believe that Support Groups—or any group of people with common experiences or concerns who provide each other with encouragement, comfort, and advice—are vital to the growth and support of the people in our midst. To that end, we provide low-cost meeting space for Support Groups who wish to meet at Southwood United Church as a rental venue. Potential Support Groups are asked to contact the main office to determine suitability and space availability. We define Support Groups (or “self-help” groups) using the distinction provided by the [Government of Canada Policy Statement reference number CPS-016, effective as of September 7, 2000](#).
