

Camp Rules

1. Please notify committee members before leaving the campground.
2. Prior to completing check-in, please do not enter your room or switch rooms.
3. Please do not enter other people's rooms without permission.
4. Please do not bring any weapons or pets to the campground.
5. Please do not consume alcohol in camp.
6. Please do not smoke in camp.
7. Please do not vandalize or disturb the natural environment, including disturbing or collecting samples of animals or plants, and moving any logs, rocks and bricks.
8. Please do not litter.
9. For safety, all campers under 18 (except for Impact Youth) must be supervised by their parents when children's program is not available.
10. No lifeguard is on duty at the pond. Please do not swim in the pond.
11. Please stay in your room and do not make noises after 11 p.m.
12. Please clean your room and help clean the campground before leaving camp. Please load your luggage onto your car before 9:30 on Sunday, and return the key before lunch that day.

Tips

1. There is no air-conditioning or electric fan inside the room. For those who are sensitive to hot weather, please bring a fan.
2. The campus is near a railroad. Campers who are sensitive to noises are advised to bring earplugs.
3. Please bring water bottles to reduce the use of single-use cups. Do our planet a solid; be considerate of our environment.
4. Please bring your own beddings (pillows, sheets, duvet covers), toiletries (towels, soap, shampoo, toothbrush, toothpaste), and Bible.

Health and Safety Protocol

Before going to the summer retreat, please perform the following:

1. Perform a self-assessment on Covid-19 symptoms via this link:
<https://bc.thrive.health/covid19/en>
2. Stay home if you are not feeling well
3. Bring face masks for use during your stay in the retreat

When you are in the camp, please observe the following:

1. Wash or sanitize your hands regularly to reduce germs. Hand sanitizers are available throughout the campus and camp facilities.

2. Observe posted capacity of facilities and user directions when going in and out of premises.
3. Masks are recommended for all audiences attending gatherings in the auditorium and classroom workshops, excluding those involving exercise. Masks will be made available for those who need one.
4. Please monitor your health and the health of your children during your time at camp and self-isolate when appropriate.
5. If you develop symptoms of illness, please notify any members of the summer camp committee immediately. You should self-isolate and wear a mask once you have any symptoms.
6. Rapid test kits are available for all who need one. We strongly recommend a rapid test be taken if you are feeling unwell or showing COVID-related symptoms.
