

NEWS & INFO

Congratulations to Maddie Myers for being selected Miss **Camp Wetoga** this past week at camp!

Note from Jon: I just wanted to drop a quick note to let everyone know about the great week we had at Camp Wetoga. The Calhoun church was well represented, and our youth were awesome. I want to personally thank Heather, Kevin, and Angel for their selflessness and the hard work they put into this week. We could not have had such a great week without you! Also, I want to thank every member that contributed to the scholarships that helped our youth attend camp! This is just the start of great things for our youth and the Calhoun Church!

We are excited to announce that Corey Sutton is now a Deacon. Corey will be focusing on our visitors and will be needing all our help in connecting with them.

Please be in prayer for the Partners4Africa Special Contribution on July 17th.

SOS is next Sunday, June 26th.
