

Beloved Children of God

Small Group Questions:

1. What are your thoughts about John and Paul's declarations about who we are as adopted children of God?
2. What would change in your relationship with God if you really believed that this is who you are? What would be different about your devotional and/or prayer life?
3. How would living out of our identity as God's beloved sons and daughters change the way we face challenges, stresses, or loss? How would it change the way we see and interact with the people we meet throughout our days?
