

Discipline and Illness Policies

Discipline The SuperTREASURES Preschool program has an expectation of mutual respect and consideration between all parties. Each treasure will be treated with kindness, respect and love. This behavior will be encouraged between students and teachers. Should a problem arise between students, a teacher will try to help guide the children involved into resolving the situation amicably. Our goal is to help children learn to ask and express their wants and needs appropriately. If a child's behavior is inappropriate, a teacher will speak to the child and explain why their behavior is not acceptable and then help redirect the child to another activity. We believe in helping children in a loving and gentle way to become more responsible for their actions and decisions. If redirection is not resolving the issue at hand, a teacher may ask for help from the director.

Illness When children are ill, it is expected that they will not attend preschool for the well being of both themselves and others. Please contact the preschool school office as early as possible by calling (816-875-6060) if your child will not be attending classes, or if your child has contracted a communicable illness such as chicken pox, measles, COVID-19, etc. Your child may not return to class unless they have been fever free for 24 hrs. Please see the current CDC guide lines if your child has contracted Covid-19 or if they have been exposed.

*****Full monthly tuition is still required if your child is sick or on vacation**
