The City Center CoOL KiDs are going....

Back to School

....after a long year of Distance Learning!

The **CITY CENTER COOL KIDS** are starting up the school year the last week of August! Every year we rely on your donations to help them get geared up with new clothing and shoes for the upcoming school year. This year we are sending **30 kids back to school,** some are new to TCC, and some have outgrown their wardrobe. Any donated amount helps! Please help us send our Cool Kids back to school in fresh, new swag!

The City Center provides a transitional living center for homeless families equipping them to rebuild their lives for self-sufficiency.

DONATE ONLINE:
