## 24. FIELD TRIPS

On suitable occasions, children may be taken for field trips. The children will be under staff supervision at all times. Parents will be asked to sign a **FIELD TRIP PERMISSION FORM**. If a parent chooses not to give permission for their child to go on a field trip, they are choosing to make alternate care arrangements for the duration of the field trip. Many of our field trips require transportation via our buses. Each of our buses are licensed with ICBC and carry extensive liability coverage. They are considered Commercial vehicles and as such are inspected regularly by a Licensed Inspection Facility as well as inspected by the driver each day before being used. Our drivers are required to hold valid Professional drivers licenses with a minimum of Class 4 rating and regularly scheduled Drivers Abstract reports are required by our Centre. Our staff will inspect play areas prior to letting children play to make sure the area is safe and will make sure children know the boundaries they must stay in— staff will spread out in the play area to better supervise and monitor children.

**FOR SAFETY MEASURES ON FIELD TRIPS...**Our Centre requires ALL children (excluding Tidal Wave children) to wear a green pinny while out on field trips. These pinnies are provided by CLCC at no cost to the family. The pinnies help our staff easily identify our children when we are out in the community and are only worn when on fieldtrips away from the Centre.

## 25. PROTECTION OF PERSONAL PRIVACY AND INFORMATION

CLCC shall take all necessary steps required to protect the personal information, including, but not limited to, information about children and their parents/guardians and, more specifically, it shall:

Only permit access to personal information to our employees on a need-to-know basis solely for the purpose of providing childcare services to the children in our facility and preparing related administration reports;

Withhold the personal information or any part thereof to any third party without the written consent of the parent/guardian of the child(ren) unless required or permitted by law.

## 2. PHILOSOPHY

### A. Each Child Has Great Value

Christian Life Children's Centre is a home away from home. We believe that children are important individuals and should be treated with respect and dignity regardless of race, beliefs, or diverse abilities and needs. All children need to be loved, nurtured and guided to grow physically, emotionally, mentally, and socially in the best way possible.

*As a centre we work closely with professionals in the community such as those at Dogwood Place Child and Youth Development Centre, Family Services, PacificCare, and others. In our efforts to support each family and to meet each child where they are at in their individual developmental journey, we will work in partnership with each parent/guardian as they are the expert on their own child/-ren and we may also request parent/guardian permission to connect with some of these community resources. No identifying communication will happen without parent/guardian permission.*

### B. The Staff's Role

Christian Life Children's Centre believes that 'play' is the primary learning medium for children. Therefore, children are provided with many play-centered activities to encourage exploration, curiosity, and social interaction. Our staff strive to be supportive, gentle & encouraging, working to build the child's self-esteem. Reasonable limits are set and the children are provided with a secure, clean, bright, cheerful, and loving environment. All staff are qualified and meet the requirements established by government licensing agencies.

### C. Our Belief

We believe that God reveals His personal self through creation, the Bible, and the life of Jesus. In order to have a personal relationship with God, a person must believe that God exists and that His Son Jesus Christ is the way to know God. Here, the Christian ethic is taught and followed. Children hear both secular and Bible stories, sing a variety of secular and Christian songs, and pray before meals.

### D. The Family

Children are encouraged to respect their parents and love their families. Each family's differences are respected and staff will work together with parents to uphold values that will build a strong community.

## 20. SNACKS & LUNCHES

- ◆ Each parent is responsible to provide a **healthy** lunch and an *am* and *pm* snack for the child (in groups that have a lunch time component). No pop, chocolate, or candy/chips please.
- ◆ Children with dietary restrictions may be asked to provide individualized snacks or food items for their children.

## 21. CLOTHING

1. Children should wear clothing suitable for active play both indoors and outside in a wide variety of weather situations.
2. In the gym or outside, children are required to wear running shoes or sandals with gripping sole, firmly strapped on the foot. No "Holeys" or "Flip-flops in gym or playground please!
3. A full change of clothing for emergency should also be provided if applicable.
4. Parents, please make sure your child has all appropriate clothing for each seasons needs.
5. Please label your child's clothing, shoes, etc. If you believe your child has misplaced an item, please check the lost and found box by the office. Once a month we will put up a lost & found table in the lobby. All items not claimed by the end of that week will be donated to a local charity.

## 22. BEDDING

Children attending full day programs (<school age) are encouraged to bring a blanket and/or other rest time things.

## 23. PLAYTHINGS

Children are discouraged from bringing toys to our Centre unless for "Show & Tell" days. In the event that children do bring personal toys, our Centre is not responsible if they become damaged or lost.

## 18. GUIDANCE STRATEGIES

Children's positive behaviour will be reinforced with praise. They will be given choices and age appropriate limits so they will feel secure to verbalize feelings whenever possible.

- Try to encourage children to settle differences themselves in a kind and respectful way.
- Help the child/children find a solution to their problem that is agreeable to all.
- Redirect when a child is unable to cope with the situation.
- Staff will request additional staff to assist if needed.
- Staff and families will work together to support children with behavioural challenges by creating a "Behavioural Care Plan".

We recognize that when a child becomes overwhelmed, the child may need time and space to self-regulate. We provide strategies and opportunities to meet those needs.

## 19. ACTIVE PLAY

Christian Life Children's Centre adheres to the "Active Play" policy set by British Columbia Director of Licensing Standards. Physical activity promotes healthy growth, development and supports body control and movement. Active play also helps promote children's confidence, learning skills, creativity and social interaction skills.

Active Play at CLCC is provided through Outdoor and Indoor Facilitated and Un-Facilitated play.

### Active Play Programming Activities consist of:

- Skating, swimming programs
- Play in natural playgrounds, local parks, woods
- Field Trips to Bowling Alley, beaches, community Playgrounds, etc.
- Outdoor games/sports
- Gym facilitated/un-facilitated activities or free flow play

## 3. OUR GOALS
