**Inspirational**

**The Pursuit of God ...** "In speaking thus, I have one fear: It is that I may convince the mind, before God can win the heart. For this God-above-all position is one not easy to take. The mind may approve it while not having the consent of the will to put it into effect. While the imagination races ahead to honor God, the will may lag behind and the man may never guess how divided his heart is. The whole man must make the decision before the heart can know any real satisfaction. God wants us all, and He will not rest until He gets us all. No part of the man will do."

**Church Plant Update ...** *Continued Growth, Restored Relationships*  
 God is working in our midst. (1) We continue to have visitors at the church and see the local community be more accepting of the church. Many in the neighborhood don't seem as "afraid" to stop by the church or just come on in when we are there. We are thankful for this because there didn't seem to be the same reception last year. (2) A man who was saved and baptized in the church a while back returned this month—after not attending for a time. We have been praying for him and are thrilled to see God answer this prayer and restore relationships. (3) Lord willing, next month, we will be transitioning to a new kids ministry on Wednesdays that will coincide with the school year. We are excited about this new opportunity and the ability to reach the next generation here in Taiwan.

**Church Plants ...** *Baptist Youth Camp, Survey Trip to Taichung City, Homeschooling*

- Baptist Youth Camp—Our entire family was privileged to go and attend the Baptist Youth Camp in Tainan hosted by other independent baptist missionaries here in the country.
