Sept 25th, 3:30pm

There is a great need for food
and medical supplies.
Without our help they will not survive!

Mary Martz will give a report of the current needs in the Ukraine

Mary and Chad have been in Ukraine for 13 Months

As the COVID crisis was hitting our country, Chad and Mary with their daughter Tatyana, determined to go to the Ukraine to be hands on servants, at a time where no one wanted to travel.

They began by finishing a house they had purchased years earlier. They could not have seen the real need for the house when they first came, but **GOD** would use it as the main office from which they would support thousands of people in the Ukraine.

At the end of February 2021, Russia entered Ukraine on a special operation, but the Ukrainians understood this was the end of their country if they just stood by and

watched. Chad and Mary hit the throttle to bring in food for the many displaced people that a war brings. Fundraising was essential and many people in Canada stood up and supported their vision for distribution of foods and supplies into the heart of Ukraine by the many contacts Mary had made over the years.

The attitude of support among many is waning. We need to stand up and again beseech our **HEAVENLY FATHER** for funds. Our prayers are key to priming the pump. 100% of your funds go to Ukraine!

Come to hear the reports of Mary and Chad, and their answers to our questions.

This report will stir us up to pray again for **GOD's INTERVENTION**.
