Walk in the Park: Sunday, September 25 at 2 pm.

Are you interested in seeing where our cluster has planted trees to help combat climate change? Do you want to learn more about trees? If so, please join the United Church Earth Stewards for a walk at Willband Creek Park on September 25 at 2:00 p.m. Shawn Gurney who organized the planting of all our trees to date, will be our guide. He is a fascinating speaker. The walk begins in the parking lot on Bateman Road, Abbotsford. Bateman is off Highway 11....the parking lot is the first one on your right as you turn onto Bateman. This walk is the one originally planned for 2021 before heavy rain changed our plans.

Tree Planting October 1 10 am to noon

You are invited to join the UC Earth Stewards to help plant trees at Willband Creek Park on Saturday, October 1st, from 10:00-noon. We will meet in the parking lot on Bateman Road. It is the first right after you turn onto Bateman from highway 11. Please wear sturdy shoes or rain boots and appropriate clothing. The holes will be dug....our job is to put the trees in the ground and put soil around the trees and shrubs. This year, our donations towards trees is \$6,900 thanks to the generosity of many donors.
