Inspirational

The Pursuit of God ... "In our sins we lack only the power. The moment the Spirit has quickened us to life in regeneration, our whole being senses its kinship to God and leaps up in joyous recognition. That is the heavenly birth without which we cannot see the kingdom of God. It is, however, not an end but an inception, for now begins the glorious pursuit, the heart's happy exploration of the infinite riches of the Godhead. That is where we begin, no man has yet discovered, for there is neither limit nor end in the awful and mysterious depths of the Triune God."

Missionary Letter

The Jim Roberts Family
 Missionaries to Voice in the Villages India

This morning as I was praying, I was reminded of Psalm 115: 4-8, where God speaks of false god's made of gold, silver, and wood by the hands of men. As I read this, I went back almost 10 years ago to Varanasi, India. Varanasi is a city of nine million people who desperately need Jesus. there were seven of us in a motel room after seeing the many bodies burned and ashes thrown into the Ganges river, when a veteran missionary told us that we were the majority of Christians in that city. India has millions of gods — none can hear, see, nor help! My Jesus can!!! We are planning a trip to India in November with some young people who are interested in missions.

As we travel here in our country and visit churches and talk to pastors we see the great need to plant, restart, or rescue churches in America. The major cities and inner cities need churches. About 70% of the population in America has no meaningful church connection. Approximately 80% of America's teenagers will not attend any church this Sunday. over 600 different cultural groups now exist here in America. Four thousand churches closed their doors in America last year—800-900 were Baptist . The need everywhere is great, but our God is greater! ... *See the Missionary board in the old church, WWW.Milecreekbc or contact Emmett for the full letter.*
