

Tonight's offering will be for:

CFEG TV Ministry

The Broadcast Ministry of CFEG TV

For the past 24 years CFEG TV has been providing Christian broadcasts to seniors in the Clearbrook community and beyond. People with mobility limitations, those living in local seniors facilities and those with an appreciation for more traditional music and worship services have been enriched by these TV and live stream broadcasts. Many viewers from several countries watch our church services on live stream.

We have received approval to increase our signal strength from 50 to 475 watts of broadcast power in digital. This has resulted in better signal quality and extended the reach of our broadcasts.

Support from various sources makes this ministry possible.

"Thank you for supporting the different ministries each Hymn Sing with your offering, encouragement and prayers."

Please make cheques payable to "Clearbrook MB Church"
Thank you!
